Health Alliance arranges for the provision of Covered Services through a network of affiliated providers comprised of qualified, credentialed healthcare professionals who are accessible to Enrollees throughout the geographic service area and appropriate to the health, disability and cultural needs of the population served.

List of Network Providers

Midlevel providers (including nurse practitioners and physician assistants) cannot be selected as Primary Care Physicians. However, you may use the services of a midlevel provider by selecting his or her supervising physician as your designated Primary CarePhysician. Midlevel providers are indicated by italics.
