

This directory was generated on 6/13/2025, and is accurate as of the date of generation. The provider network may change at any time. Members will receive notice when necessary. For the most current directory please consult our electronic directory online or call Customer Service at 1-800-851-3379.

Health Alliance arranges for the provision of Covered Services through a network of affiliated providers comprised of qualified, credentialed healthcare professionals who are accessible to Enrollees throughout the geographic service area and appropriate to the health, disability and cultural needs of the population served.

For assistance finding a provider for gender affirming treatment, we're here to help. Please contact us at the number on the back of your ID card.

List of Network Providers

Midlevel providers (including nurse practitioners and physician assistants) cannot be selected as Primary Care Physicians. However, you may use the services of a midlevel provider by selecting his or her supervising physician as your designated Primary Care Physician. Midlevel providers are indicated by italics.
